Your Ref.: 10991849-1 Our Ref.: 973.0034USU

"USER INTERFACE FOR INSTANT AND FULL-FEATURED INDEX
PAGE PRINTING FROM A DIRECT-CONNECT PRINTER"

Your Ref.: 10991850-1 Our Ref.: 973.0035USU

Dear Ms.Hunter:

Enclosed are Declarations and Assignments for review and execution by you for the above-identified applications. Before you execute these documents, please carefully review the copies of the applications enclosed. If any changes are required, could you please write them on the application and initial and date them for us. Please note that your signature on the Assignment should be witnessed by a Notary Public. Please return the executed forms and the marked-up applications (if appropriate) to us at your earliest convenience for filing in the United States Patent and Trademark Office.

We have a continuing duty of disclosure for the entire time that this application is pending to bring any material or pertinent prior art to the attention of the Examiner. If you are aware of any prior art that should be cited, please forward a copy to me when you return the executed forms.
